FAR OFFSHORE FISHERY DECLARATION (RETURN PORTION)

Fish and Game Code §8113

- (a) The declaration shall be valid when signed by the vessel operator and completed with information prescribed by the department.
- (b) Upon completion of the trip and within 12 ho urs of arrival at a port in this state, the operator of the vessel shall complete and submit the return portion of the declaration to the department.

The declaration shall be submitted to the following CA Department of Fish and Wildlife office within 12 hours of arrival:

CA Department of Fish and Wildlife MARINE ENFORCEMENT 4665 Lampson Ave, Suite C Los Alamitos, CA 90720

Fax No. (562) 493-7588

Vessel Name:	DFG Vessel ID Number:
Fisherman's Name:	Fisherman's License #:
Departure Date:	Port:
Actual Return Date: (Month/Day/Year) (Month/Day/Year)	
I understand that it is unlawful for me to fish, or land fish from any waters within the United States 200-mile Exclusive Economic Zone during the trip for which I file this declaration to fish in the far offshore fishery. I also understand that no species of marlin and no shark fins (with the exception of unaltered thresher shark tails and fins in possession with the corresponding carcasses) may be possessed aboard a commercial fishing vessel registered pursuant to Section 7881 of the Fish and Game Code. I understand that I must comply with all state laws and regulations.
